209 Echecommee Ln., Warner Robins, GA 31093

Picnic Saturday, May 23
Festivities begin at Noon
-No Breakfast Saturday-

President: Joe Gleaton Vice-President: Mike Beasley
Treasurer: Rhonda Gleaton Webmaster: David Taylor
Secretary/Slipstream Editor: Don Hall

Chapter 38 Members:

This Saturday, May 23, Chapter 38 will again host a Spring Picnic for members and guests. (The picnic will take the place of our usual breakfast, so if you're at Hangar 38 at 9 or 9:30 in the morning, about all you'll get will be a hot cup of coffee.) The Chapter will

furnish hamburgers and hot dogs and drinks for the picnic, and we are asking

members to bring condiments, side dishes and des-

serts to the picnic. We will be flying Young Eagle flights prior to the picnic, and our picnic festivities will be-

gin around noon. As always, if any of our members would like to have their children

(or grandchildren) participate in the Young Eagle Flights, please contact Jeff Pierce prior to the meeting so he can have support personnel at the meeting. If you are a Young Eagle pilot, and can have your aircraft

at Airpark Saturday, please call Jeff Pierce (923-1873) to inform him of your availability.

On Friday, May 22, the Perry-Houston County Airport (PXE) will host a low-country boil at the Perry Airport. Members of Chapter 38 are invited to fly in and partake of the contents of the cooking. Six o'clock in the evening will be the starting time for the festivities, so mark your calendar for Friday evening and Saturday noon. Call Patsy (988-3699) for further information

In the planning stage: June 6 is the date for a fly-in and Young Eagle Flights at the Heart of Georgia Airport in Eastman. Kids and facilities would be furnished by the Eastman airport and planes and pilots furnished by Chapter 38.

Carl reported that the Chapter netted \$160 on surplus wire sales at Sun 'n Fun. Way to go, guys! Speaking of which, we had approximately 25 members at Sun 'n Fun and according to the pictures posted on the web site, (www.eaa38.com), and on the inside pages, they seemed to have had a great event. Looks like Sun 'n Fun is getting bigger and better each year.

Our membership is increasing, our participation in Chapter activities is improving, and the hangar use by members is gaining momentum. Look for further developments in Chapter activities in the near future!

With postage increasing again, please consider having your Slipstream delivered by email. A PDF version is available by email or online on our Chapter website the same day you get your Postal copy.

*Keep the blue side up,
Don*
